

**Dr. ALMA S. ADAMS 2011 SCHOLARSHIP FOR OUTREACH AND HEALTH  
COMMUNICATIONS TO REDUCE TOBACCO USE AMONG PRIORITY POPULATIONS\***

**Application**

**THE SCHOLARSHIP**

Scholarship applications from high school, undergraduate, or graduate students – will be accepted starting January 1st through April 30th, 2011. Scholarship awardees will be notified by June 30th, 2011. Scholarship funds may be used for college tuition, books and related living expenses.

Awards will be granted on a competitive basis for the following: **a)** a record of commitment to community service on behalf of an underserved community; preferably related to tobacco prevention and/or control and **b)** the best use of visual arts, media, creative writing or other creative endeavor to convey culturally appropriate health messages aimed at raising community awareness of tobacco's harmful impact. Entries may include creative writing, a musical composition or a sample from a visual arts medium.

**Scholarship Criteria**

1. Applicants must provide evidence of community service activities in an underserved community setting. Service activities may include activism, outreach, or peer counseling in tobacco prevention or control. The community service activity should be described in the personal statement and (*see application instructions on page 5*).
2. Applicants must submit documentation of financial need for scholarship funds (SAR report).
3. Students pursuing a course of study in public health, communications, social work, education, liberal arts or a related field will be considered eligible.
4. Applicants must have a Grade Point Average of at least a 3.0 (B average) for the most recent academic year.

**Review Process**

- The *first* phase of the review will ensure that the basic eligibility criteria have been met and the guidelines observed.
- A *second* review phase will include an external panel that will be responsible for making recommendations to Legacy staff.

*\*Priority populations include residents of low-income communities, U.S. racial/ethnic minorities (African American, Alaska Native, American Indian, Asian, Hispanic/Latino, Native Hawaiian, Pacific Islander; Gay/lesbian/bi-sexual/transgender communities); and other populations that have significantly higher than average smoking prevalence rates.*
