

**Seattle Public Schools invites you to a Community Meeting for the
Wilson Pacific Elementary & Middle School BEX IV Projects**

Date: Tuesday, May 13, 2014

Time: 6:30-8:00 p.m.

Location: Wilson – Pacific building, Seamat Center, 1330 N. 90th St.

Dear Wilson-Pacific community,

Seattle voters approved the Seattle Public Schools Building Excellence IV (BEX IV) Capital Levy in February 2013, which includes the project to construct a new elementary school building and a new middle school building on the Wilson-Pacific site. Both schools are scheduled to open in the 2017-18 school year.

The meeting will be presented by the Seattle Public Schools capital projects team and Mahlum Architects and will include information about the project's schematic design. You will learn more about the site plan, building floor plans for both schools and the project schedule and be able to ask questions. We hope that you can join us!
