Spirit of Indigenous People Festival Seattle Center - Saturday, June 25th

Invitation: Pacific NW Canoe Family Exhibit!

Each year, the Seattle Indian Health Board hosts the **Spirit of Indigenous People Festival** at the Seattle Center as one of the Center's year long cultural Festival celebrations. The event is the largest Native festival in the Pacific Northwest highlighting American Indian and Alaska Native culture and tradition.

This year, we're exploring the possibility of expanding our program to include a **Canoe Family Exhibit** featuring tribal and family history displays, canoe journey videos, and an exhibit of canoes on the Seattle Center grounds. The inclusion of a Canoe Family Exhibit would showcase the amazing journey and histories of tribal families and add a rich cultural element to the festival.

Your canoe family/group is invited to be a part of this unique event! Please feel free to contact me for more information or if you have any questions. We also invite you to join our festival planning committee which will meet monthly, beginning in February. We're excited at the possibility of adding the Canoe Journey Family Exhibit to the festival!

Sincerely,
